Evaluation Station 4					
Evaluation Station 5					
Evaluation Station 6					

Net Promoter Score: 11/11

What would have improved the program? “1) Love Wizard Education. Makes learning fun. 2) M ore time to go over information. I enjoyed the lectures. 3) For those who are not pre-hospital, possible to have more time. Most of this is new.”

Please add any additional comments “1) Enjoyed this class and I learned a lot. I will refer to coworkers. 2) Awesome class. Very informative and great instructors. 3) Very low stress. Instructors are energetic. Great models for scenarios.”
