Altered Mental Status	8	2			
Abdominal Pain/ GI Bleeding	8	2			
EVALUATION STATIONS					
Shock	7	3			
Dyspnea	7	3			
Chest Pain	8	2			
Altered Mental Status	7	3			
Abdominal Pain/ GI Bleeding	8	2			
Your Overall Evaluation of the Course	7	3			

How will you use the information presented in this course? "1)To give more care to the patient.2)Great. I learned so much, I'll take it again. 3)Patient care. 4) Very informative course. 5)Apply better patient assessment. 6) As a foundation for additional review of AMLS knowledge. 7)Daily to improve my assessment skills to quickly identify change in condition. 8)Improve my practice & increase the rate treatment emergency events. 9)While assessing a patient. 10) Very informative- hopefully see an impending emergency earlier & get them the help they need."

What part of the course did you like best? "1)Chest pain, GI bleeding. 2)All interesting/ not enough time. 3)The group interaction.4) Skills/ Evaluation Stations.5) I thought the instructors were well trained and knowledgeable. 6) Cardiac.7)The feedback & group exercise. 8) Evaluation stations."

What part of the course did you like least? "1)Anxiety. 2)The time frame is too close to allow for absorption of material. 3)Too much info for 2 day class. 4)Would have liked to add another 8 hrs- a lot of information in 2 days. 5) Intubated.6) Need more time and real life examples(those were good). 7)Only 2 days - good info, not enough ti

Additional Comments: "1)Room cold. A lot of hallway noise @ times. 2)Keep up the good work. Thank you so much. 3)Would have helped if ppt slide handouts were available since we don't get to keep the book. 4)This could be spread to 2 days in between classes to allow for review of lecture & book material. 5) 2 days not sufficient- need more hrs."
