Shock								1	1	8

On a scale of 0 (least likely) to 10 (most likely)

What is the probability that you will recommend this class to a colleague or friend.

**Net Promoter Score: 8 / 10**

**If less than 9. What would it take to make it a 10 ?** "1) Reading materials. 2) This was a lot to remember but I like the course. 3) More than 2 days. Make it for 3 days with slower coverage of topics. "Too Crammed" 4) Good class. Good critical thinking examples given. Glad I took the class. Scarlet is a wonderful teacher and made the class fun!"
